POLIMI Graduate School of Management is offering **study contributions worth up to 7,000 Euro** to worthy candidates who have launched a start-up in the past, or to entrepreneurs or professionals who aspire to become entrepreneurs, in order to support them in their studies.

1. BENEFICIARIES AND REQUIREMENTS

The following are entitled to apply for this contribution:

- candidates who have launched a start-up in the past or who are currently entrepreneurs, by submitting a **paper of up to 500 words** describing the greatest challenge faced in their company to date.
- candidates who have an entrepreneurial idea for the future, by presenting the foundations of a potentially viable project (which will be treated confidentially) in a maximum of **5 Power Point slides**. Requirements include: (1) explaining the potential value of the idea, (2) outlining the target for which it is intended, and (3), illustrating the first actions to be implemented.

2. SUBMISSION OF AND DEADLINE FOR APPLICATION

Candidates wishing to participate must submit the completed and signed **application form for contributions** (to be requested from infoexecutivemasters@gsom.polimi.it) by uploading it to the personal area on the dedicated platform, accompanied by their **latest payslip**.

The available contributions are assigned on a rolling basis. Candidates are therefore invited to submit their application as soon as possible.

3. EVALUATION AND OUTCOME OF APPLICATION

Both economic need (supported by the presentation of the latest payslip) and the professional results achieved by the candidate will be taken into consideration.

Candidates will be evaluated according to the following criteria:

- the results of the MBA selection process;
- an evaluation of the paper presented.

The beneficiaries of the contribution will be formally advised by the Commission by means of the notification of admission, which they will receive by email together with their contract. Contributions are awarded at the sole discretion of the Commission, whose decision is final and cannot be challenged.

4. INCOMPATIBILITY AND LOSS OF SCHOLARSHIP

This contribution will lapse in the case of corporate sponsorship.

5. ACCEPTANCE OF THE CONDITIONS

Candidates who apply for the Entrepreneurship Contribution must confirm that they expressly accept the study award and the related conditions, of which they will be informed in writing in the communication of assignment of the contribution.
